Recommended College First Aid Items

- Be prepared for minor health illnesses and emergencies by packing a supply of over the counter (otc) medicines and first aid items that can be safely used.
- Check with your doctor and bring any prescriptions you have for any chronic health condition(s).

For best cost savings get generics at your local “Dollar” store.
Place items below in a plastic box for easy access.

- **Allergies:** non-sedating, once daily antihistamines are best- like loratadine, cetirizine or fexofenadine
- **Allergic reactions:** (bites, foods, skin contact) – diphenhydramine pills (Benadryl). Hydrocortisone cream 1% for skin rashes
- **Antacids:** for indigestion/heartburn/overeating (Tums, Gaviscon or H2 blockers like Zantac, or Pepcid)
- **Antibiotic ointment:** bacitracin or neosporin
- **Anti diarrhea medicine:** bismuth-based products (Pepto-Bismol) or loperamide (Imodium)
- **Cold and flu medicines:** cough drops, Mucinex, Dayquil/Nyquil, or Theraflu type products. Avoid use of aspirin for flu symptoms.
- **Cold and flu nutrition support:** instant soups, tea bags (any flavor), hydration powders, sugar and salt packets
- **Face masks:** 3-4 ply or KN95 types preferred over cloth masks
- Hand sanitizer
- **Analgesics:** headache/fever/injury medicines - acetaminophen or ibuprofen or naproxen
- **Injuries:** (minor) ace wrap, Band-aids- ¾” and various sizes, gauze roll, hot & cold gel pack, medical tape
- Insect repellent
- Sunscreen/sunblock of at least 30 SPF
- Digital thermometer, tweezers, scissors
